DECISION OF SINN FEIN COUNCIL

DECISION OF, SINN FEAX, COUNTING
There appears to be no doubt that
there was a question in the councils of the
Sinn Fein Volunteers as till be propriety
of agaring the rebellion, by only a usual
negotity. It is understood that the
rebels possessed ten machine guns. The
German element is believed by many
to have provided the funds for the purchase of arms and other equipment.

THE CAPTURE OF MR. CLARKE. THE CAPTURE OF MR. CLARKY. Thomas Clarke the insurged leader, how are secured, was in the G.P.O. however, the control of the cuttrady following the cuttrady following the cuttrady following the cuttrady cuttrady in the cuttrady of the c
